I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

inordinate amount."

The services provided by specialty pharmacier to me
have been successful when the street by pharmaceuticolo

monefactures failed to relieve my problems.

To lad this service to me would be a diantime. Iny

compounded prescriptions relieves my symptoms and maken it

possible to live normally throughout the month.

Please do not cancel my availability to continue this service

Sincerely,

Ellew Soper
